SUPPLEMENTARY INFORMATION:

Background

On October 17, 2013, Navneet Education submitted a request for a CCR asking the Department to find that Navneet Education is the successor-in-interest to Navneet Publications.² On May 16, 2014, Navneet Education submitted a revised CCR request updating the period covered by the original CCR request for purposes of determining countervailing duties liability as a result of the *CLPP Order*.³ On July 3, 2014, the Department published its *Preliminary Results*, in which it preliminarily determined that Navneet Education is the successor-in-interest to Navneet Publications for purposes of the Department's countervailing duty proceeding on certain lined paper products from India.⁴ The Department invited interested parties to comment on the *Preliminary Results*.⁵ We received no comments or requests for a hearing from interested parties.

Scope of the Order

The merchandise covered by the *CLPP Order* is certain lined paper products, typically school supplies (for purposes of this scope definition, the actual use of or labeling these products as school supplies or non-school supplies is not a defining characteristic) composed of or including paper that incorporates straight horizontal and/or vertical lines on ten or more paper sheets (there shall be no minimum page requirement for looseleaf filler paper). The products are currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) subheadings: 4811.90.9035, 4811.90.9080, 4820.30.0040, 4810.22.5044, 4811.90.9050, 4811.90.9090, 4820.10.2010, 4820.10.2020, 4820.10.2030, 4820.10.2040,

4820.10.2050, 4820.10.2060, and 4820.10.4000. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive.⁶

Final Results of Changed Circumstances Review

Because no parties submitted comments opposing the Department's *Preliminary Results*, and because there is no other information or evidence on the record that calls into question the *Preliminary Results*, the Department continues to find that Navneet Education is the successor-in-interest to Navneet Publications for the purpose of determining countervailing duty liability.

Instructions to U.S. Customs and Border Protection

As a result of this determination, we find that Navneet Education should retain the cash deposit rate previously assigned to Navneet Publications (*i.e.*, the 8.76 percent cash deposit rate currently assigned to Navneet Publications) in the most recently completed review of the countervailing duty order on certain lined paper products from India for Navneet Publications.⁷ However, because cash deposits are only estimates of the amount of countervailing duties to be assessed, changes in cash deposit rates are not made retroactively.⁸ Therefore, as stated in the *Preliminary Results*, no retroactive change will be made to Navneet Education's cash deposit rate, as Navneet Education requested.⁹ Consequently, the Department will instruct U.S Customs and Border Protection to collect estimated countervailing duties for all shipments of subject merchandise exported by Navneet Education and entered, or withdrawn from warehouse, for
